Attorney's Docket No.: 16113-330001 / GP-138-00-US

REMARKS

Claim 1-48 are pending. Claims 1, 15, 30, and 47 are in independent form.

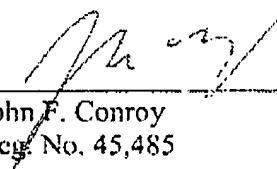

Applicant has made stylistic, typographical, substantive, and other changes to the claims.

Nevertheless, claims 1-46 are believed to remain allowable over the cited references for at least the reasons set forth in the Response filed December 19, 2006. Further, claim 47 is also believed to be allowable. For example, claim 47 relates to a method that includes combining two or more concepts using an operation to define a target definition. None of the cited references describes or suggests such a combination of two or more concepts.

Applicant hereby petitions under 37 C.F.R. §1.136 for a 2-month extension of time.

Please apply the excess claim fees, the Petition for Extension of Time fee, and any other charges or credits to deposit account 06-1050.

Respectfully submitted,
